Message from the Dean

Dean Whichard

Since I wrote a message for this space last year, the Career Services Office has acquired an entire set of new personnel. On January 1, 2001, Brandon Wright assumed the position of Associate Dean for External Relations, which includes responsibility for Career Services. Lisa Mossman, formerly part of the faculty secretarial staff, is now the Career Services and Alumni Relations Coordinator. Brenda Griffin recently became the Career Services Administrative Assistant.

Dean Wright, Ms. Mossman and Ms. Griffin have been working hard to update our records and to broker between prospective employers and our students who are their prospective employees. We invite students (or graduates) and employers alike to call on them whenever they may be of assistance.

Lawyers, judges, and clients continue to tell me good things about our graduates. The preparation they receive here for the legal profession has them ready to go to work immediately upon graduating and passing the bar. Law offices, courtrooms, government agencies, banks and other employers benefit from their excellent training.

With this in mind, we enthusiastically present to you our students who will be seeking clerkships, associate positions, and summer internships. If our past success is any indication, you would do well to fill your current and future needs from among these budding lawyers. If those of us here can be of help to you in the process, please let us know.

Your consideration is very much appreciated.

Willis P. Whichard
