Since my last Placement Bulletin message, Keith Faulkner has replaced Brandon Wright as Associate Dean for External Relations and thus as head of our Career Services Office. Keith is a 2001 Campbell Law graduate; he also received an M.B.A. degree from Campbell. Under Keith’s leadership, our Career Services Office continues to serve both our students and their prospective employers at a very high level. We invite our students and graduates, as well as their prospective employers, to call on its staff members whenever they may be of assistance.

Lawyers, judges, and clients continue to tell me good things about our graduates. The preparation they receive here for the legal profession has them ready to go to work immediately upon graduating and passing the bar. Law offices, courtrooms, government agencies, banks, and other employers benefit from our students’ excellent training.

Our students continue to perform well in the various trial team, appellate moot court, client counseling and arbitration competitions. In the 23rd Annual International Moot Court Competition in Information Technology and Privacy Law, held at the John Marshall Law School in Chicago, the Campbell team finished in the Final Four and received the award for Best Respondents Brief. This was an international competition involving 24 law schools from the United States, Canada, Australia and Korea. For the first time we sent a team to the International Commercial Arbitration Moot Competition in Hong Kong, as well as to that in Vienna, where we have participated for the past five years; the Hong Kong team made the quarterfinal round before losing to the eventual winner of the entire competition.

With these things in mind, we enthusiastically present to you our students who will be seeking clerkships, associate positions, and summer internships. If our past success is any indication, you would do well to fill your current and future needs from among these budding lawyers. If those of us here can assist you in the process, please let us know.

We appreciate your interest and consideration.
